

# TECHNOLOGY

## TECHNOLOGY SKILLS OVERVIEW

TEACHER  
MANUAL

For information about using technology in the classroom, refer to the *Teacher Manual*, Section 3: “Integrating Curriculum.”

Target Skills	Activity	Materials	Process
Using Tools <i>Target 1.1</i>	Types of Penguins	Internet access	Recognizing the option of finding current information on the Internet
Using Tools <i>Target 1.1</i>	Internet Maps	Internet access	Recognizing the option of finding current information on the Internet
Using Tools <i>Target 1.1</i>	Temperatures of Antarctica	Internet access	Recognizing the option of finding current information on the Internet

## TECHNOLOGY ACTIVITIES

### Technology: Types of Penguins

Find different Internet sites about penguins. Scroll through a different site each day. Bring up different relevant sites on each computer in your classroom.

### Technology: Internet Maps

Look up Antarctica on a satellite mapping website. Show the children how to zoom in and out to view different parts of the continent.

### Technology: Temperatures of Antarctica

Use the search term “Antarctica temperature” to access websites that display current temperatures at research stations in Antarctica.
