

Jesus Makes a Sick Boy Well

Once there was a father who had a son that was very sick. His son wasn't getting any better. He didn't want to go outside to play. He didn't feel like eating or drinking. He just lay in his bed. His body was hot with a fever. His head hurt. His whole body hurt.

Jesus cared about this little boy who was sick. And Jesus cares for you and me when we are sick too. Jesus says, "I am with you, and I will take care of you." (Jeremiah 1:19, NLT) When you are sick, Jesus is with you. When you are sick, Jesus is taking care of you. He is helping you to get well.
