

Jesus Feeds Many People

Wherever Jesus went, people followed Him. He always took time to teach people and heal those who were sick. One day a very large group of people came to spend time with Jesus—thousands and thousands of people came to hear Him teach. Jesus taught the people about God's love for them. Jesus told the people how to live good, happy lives. Jesus talked until late in the afternoon.

Jesus cares about you and me too. He gives us what we need. Jesus tells us, "Your Father knows exactly what you need." (Matthew 6:8, NLT) I'm glad Jesus gives us what we need!
